A multiplication table for the number 2, presented in a colorful, child-friendly format. The background is a gradient from pink to orange with a bokeh effect. The table consists of two columns of equations, each with a yellow star above it. The equations are: $2 \times 1 = 2$, $2 \times 2 = 4$, $2 \times 3 = 6$, $2 \times 4 = 8$, $2 \times 5 = 10$ in the first column; and $2 \times 6 = 12$, $2 \times 7 = 14$, $2 \times 8 = 16$, $2 \times 9 = 18$, $2 \times 10 = 20$ in the second column. There are decorative elements: a dog's head between the first and second columns, a lizard on the right side, and a helicopter in the bottom left corner.
